Dear Parents and Carers

It has been a wonderful opportunity to come back to Hillvue to fill in for Mr Shaw while he and his Executive attend a conference in Melbourne.

I have enjoyed meeting the students, staff and parents.

I previously taught at Hillvue as a classroom teacher and have been surprised and impressed with the changes to the school environment. It is a very attractive and special place to learn.

Thank you for making me so welcome. Mr Shaw will return on Wednesday.

NORTH WEST GIRLS BASKETBALL REPORT

Last week we travelled to Albury as part of the North West Basketball team to play in the State Carnival.

Our first game was against CIS. It was a very close game but unfortunately we were beaten by a fair few points in the end. We won our last game against North Coast. The score was 36 – 15. We had lots of fun over the week.

HEALTHY EATING AT HILLVUE PS

Why eat fruit and veg everyday?

Fruits and vegetables are high in vitamins, minerals and dietary fibre, as well as being rich in antioxidants. Research shows that people who eat adequate amounts of fruits and vegetables everyday can help prevent:

* coronary heart disease
* overweight and obesity
* high blood pressure and blood cholesterol levels
* help improve control of diabetes.

Aim to eat fruit and vegetables everyday - the greater the variety, the better health benefits.
