Innovation, Opportunity and Success
Volunteers Wanted for Kitchen Garden Classes

The success of food education relies on the support of volunteers.

There is nothing more satisfying than sharing a delicious meal created with fresh produce that you have grown from seed to harvest. Every week over 100 school children share in this experience at

Hillvue Public School

You don’t have to be a green thumb, you just have to love growing food, eating food and being with children.

If you would like to volunteer in the kitchen or garden, whether you have one hour to spare or a whole afternoon, we would love to hear from you.

The classes run on Monday, Tuesday, Wednesday, Thursday & Friday
